WHO ARE NORTHAMPTON SAINTS?

This year we present the IV Rugby Campus, consolidating the success achieved in previous editions with London Wasps and ensuring that our schools and all the participants could enjoy three days of training, learning with one of the most important Rugby schools in Europe.

This year in 2023 we will have 4 verified coaches, and we expect a maximum of 90 players. For those who don't know about our sport, it is one of the most important clubs in Europe and many of its players are international with England; We can mention world-class players who have played in their ranks: James Haskel, Dan Biggar, Dylan Hartley, Courtney Lawes.
